FLOOD DISASTER RELIEF

Countless people of Kerala (Wayanad), Assam and Uttarakhand are left with no homes or livelihoods in the wake of torrential rains and one of the worst flooding to hit these areas in memory. Preliminary reports indicate that the destruction is widespread. The poor are the most disproportionately affected during calamities of this nature and we have a responsibility to come to their aid. Let us come together to lend them a helping hand in this time of dire need.

Please Donate Generously
