Guru Bhagavan

Of the nine planets, Guru (Jupiter) is regarded as the most auspicious planet. Guru blesses with Knowledge. The transit of Guru from one rasi to another rasi is considered as an important astrological event. It is important to understand the influence of the transit on your rasi which can have a significant impact on your life.

On Friday, November 20th 2020, transit of Guru Bhagavan occurs from Sagittarius (Dhanusu) Rasi to Capricorn (Makara) Rasi. On this Guru Peyarchi day, it is auspicious to visit temple, worshipping Guru of Navagraha sannidhi, by adorning Him with a garland made of channa dhal along with a yellow cloth, your mountain of sorrows would disappear like the mist.
