HTCS Education STEM Series Introduces: Hands-on Robotics for Beginners

Who can attend: Students in Grades 3 - 4
Fridays: from Sep 20th to Oct 25th, 2019
Time: 6:45 pm – 8:15 pm
Location: HTCS Classroom

- Building and Coding projects to introduce STEM concepts in a fun manner!
- New challenges every week!
- Students learn to explore, create and collaborate with peers!
- Each student will get to build and program robots each week!
- Coached by well experienced instructors!
- Required resources will be provided: Lego **WeDo Robotics Kit & Chromebook**

Student Volunteers:

We encourage high school students with experience in robotics to volunteer for this workshop. The service hours of the student will be recorded and counted towards Volunteer Service Hours Certificate. Join the enthusiastic student volunteer team and make a positive impact in the community. Contact us at the email listed below if you are interested.

Very Limited Seats... Registration is required.

**PLEASE NOTE: No makeup sessions for missed classes*

Registration link will be emailed and posted at www.venkateswara.org at 9pm on the registration day mentioned on top of the flyer.
