*Instructors

Instructor 1 is an electrical engineer by training. He received his B.E and M.E. degrees from the Indian Institute of Science, Bangalore, and Ph.D. from Carleton University, Ottawa. He is a Fellow of IEEE. He became interested in teaching SAT/ACT preparatory classes while helping his daughters. He has been teaching the SAT Preparation Course at HTCS when it started in 2013.

Instructor 2 has an MBA from Yale, a Master's in Computer Science and a Bachelor's in Electronics and Telecommunications Engineering. She has over five years of experience teaching Math, English (Reading Comprehension and Writing), Presentation Skills and Introductory Computer Science.

Instructor 3 got his B.Tech degree in Computer Science from Andhra University College of Engineering and MS in Computer Science from University of Missouri, Kansas City. He has more than 11 years experience in Risk Management in the Financial Services Industry. He has taught C++ and Unix in DeVry University, North Brunswick and is well versed with US standardized test formats. He has been volunteering as SAT math tutor for more than a year.

Instructor 4 has a Bachelors degree in Electrical Engineering from NJIT, worked in technology field for 20 years and taught SAT English for one year. He brings in lot of energy to the class.

Instructor 5 has a Bachelors degree in Electrical and Communications Engg, MS and Ph.D in Electrical Engg. He is an active HTCS vounteer and has been teaching the SAT class at HTCS for the past 1 year. He also teaches STEM courses for underprivileged children through a major wireless service provider.

We are also looking for additional qualified instructors, especially recent graduates. Please contact at the above email address.
