SRI GAYATRI YAGNAM

with chanting of Gayatri Mantram 1008 times

Sunday, July 18, 2021 @ 9:00 AM (Livestream)

NOTE: ALL Pujas can be sponsored online and also in person as well

Gayantam Trayate Iti Gayatri

It will protect all those who chant it, hence, the name Gayatri

All Moola mantras culminate with Gayatri Mantra. Gayatri means Surya Tejam, thus-by means of Gayatri Mantra, we meditate on that Supreme Divine who is the embodiment of knowledge and light. We thereby pray, "May The Supreme Divine enlighten our intellect and guide us on the right path". Goddess Gayatri is prevalent more as Upasana Devata than Aaradhya Devata. Meditative repetition of a mantra (Japam) is Upasana (Worship) and the more Japam that is performed, the more benefits that are received.

Agni Mukhavai Devaaha

Agni is called the face and mouth of all Devathas

Na Gayatrayaha Param Mantram

Gayatri Mantram is superior to all the Mantras

Gayatri Yagnam is when a Homam is performed in Agni while chanting Gayatri Mantram. Devatas are elated by this worship, because the Gayatri Mantram is the most powerful Mantra. If performed alone (Sadhana), it benefits the individual. If performed together (Saamuhika), it bestows welfare for both the individual and the world or society at large.
